\* The RATING provides information about the terrain of the ride and the level of Ride Captain support:

Terrain: 1=Flat, 2=Flat with a few hills, 3=Moderately hilly, 4=Hilly.

Support: Min = Route directions, Med = directions & Captain rides with slower riders, Max = Full SAG support.

However, there may not be a Ride Captain available for all distances of multiple distance rides. The Ride Captain will provide cue sheets. **If the temperature is below 40 degrees, a Ride Captain may not be present.**

Interested in being a Ride Captain? please email Bob Quinn at [rdquinn901@gmail.com](mailto:rdquinn901@gmail.com).
