

Southern Indiana Wheelmen Association, Inc.

Coronavirus (Covid-19) and the Harvest Homecoming Bicycle Tour

Dear Harvest Homecoming Bicycle Tour Riders,
These extraordinary times have led the Southern Indiana Wheelmen Executive and Harvest Homecoming Bicycle Tour Committees to make the painful decision to postpone the **43rd Harvest Homecoming until October 2, 2021**. Your safety, that of our club members, volunteers, and the Lanesville community, is our most important concern. We do not believe the Harvest Homecoming Bicycle Tour can effectively meet CDC and the State of Indiana guidelines for a safe mass event.

We appreciate and understand your disappointment. Unfortunately, there is too much risk this year. The risks include spreading the virus to others. Our country is currently seeing many “hot spots” regarding the virus and there is concern about a possible second and third wave in the fall and winter. Our disappointment in not having the ride is secondary to doing our best in keeping everyone healthy. We have delayed our announcement in hopes that a vaccine or major treatment breakthrough would occur before we were forced to make this decision.

Thank you for your continued support and understanding. We appreciate all of our riders, volunteers, organizations, and sponsors that have made the Harvest Homecoming Bicycle Tour a success for the last 42 years. Please watch our website for future updates.

Please stay safe and we look forward to seeing you next year.
Sincerely,

The Southern Indiana Wheelmen Executive and
Harvest Homecoming Bicycle Tour Committees
