Mr. Beach,

I am writing to thank you, and the Southern Indiana Wheelman, for your generous donation to the Soup Kitchen at St. Marks United Church of Christ, in New Albany. This appreciation goes out to all members, coordinators, and participants of SIW.

Your donation of about 150 pounds of canned goods from your Silver Creek Century Bike Ride will help very much in our mission to feed hungry people in the local area of New Albany and Floyd County, Indiana.

St. Marks Soup Kitchen provides a meal to anyone who walks through our doors each Saturday of the year at Noon. We serve anywhere from 125-175 meals each week. Our soup kitchen teams who prepare and serve these meals are volunteers from our church, another local church (Central Christian), and friends and family. Please feel free to stop by on any Saturday from 12:00 to 1:00 p.m. to see this wonderful service in action!

Again, thank you on behalf of St. Marks United Church of Christ Soup Kitchen.

Sincerely,

Katrin Ohlemacher
Coordinator, St. Marks Soup Kitchen
