## S.I.W. President's Message

SIW Members,

Why are you a member of SIW? Recently, several of us responded to a Facebook post asking about the benefits of becoming a member. For me, it's a recognition of my love of bicycling, the opportunity to interact and ride with others, and the health benefits of a regular exercise regime. As we move into summer, I encourage you to reach out to current members you miss to join us more often and to invite others to ride with us and to become a SIW member.

A small group has been meeting and planning for the Harvest Homecoming Ride (HHR) on Saturday, October 2, 2021. Our membership fees pay a very small percentage of the annual club operating costs. Our primary source of funding is HHR. SIW volunteers are critical to staff HHR and to produce an event that leaves riders looking forward to participating in the future. I strongly encourage you to make an important investment in SIW by volunteering to make this year's event a success.

For members who plan to ride HHR 2021, please remember that you need to register and pay for the event. SIW membership or volunteering for HHR 2021 does not waive registration and paying the registration fee.

Another volunteer opportunity is our Adopt-A-Highway program on US 31 from CR 403 to Weber Road. Our first clean-up in 2021 was completed in June and our next date will be scheduled in August. Typically, clean-up with a small crew requires volunteers to donate one to one and one-half hours.

*David Campbell*

If you need a quick response from me, please call or text me at [502-262-4771](tel:502-262-4771). For less urgent matters, my email address is [campbelb5730@sbcglobal.net](mailto:campbelb5730@sbcglobal.net).
